Transfer of Eligibility Forms

PURPOSE OF FORMS: These forms are used only to request a transfer of eligibility from one member high school to another (i.e., student establishes eligibility at one school then transfers to another school). Transfers to Utah from outside of the state also utilize these forms.

APPLICABLE UHSAA BYLAW:

Transfer of Eligibility- Article I

Section 8: Any student transferring from one high school to another shall lose eligibility for participation in Association sponsored athletic activities (varsity, junior varsity, sophomore, freshman) for twelve months from the first day of attendance at the new school under the following circumstances:

- (a) The transfer resulted from the student's intent or purpose to participate in athletics at the transferee school.
- (b) The transfer does not otherwise comply with the rules of the State Board of Education.
- (c) The student does not receive confirmation from the Association that the transfer meets the conditions of paragraphs (a) and (b) of this rule. To receive this confirmation, any transferring student must provide the Association with specific information regarding the circumstances of the transfer.
- (d) The transfer was mandated by a school district for disciplinary reasons. In such case, the member school shall provide the Association with notice of the action and the reasons therefore. In transfers which have been mandated by a school or school district for disciplinary reasons, whether intra-district, inter-district, or between private and/or public schools, the transferred student shall lose eligibility for Association sponsored activities for a period equal to any suspension, bar or dismissal from the transferring school, but in no case shall the period exceed twelve months.

- The student is responsible for initiating the transfer process by asking for required forms from the school into which he/she desires to transfer and for obtaining the information necessary to complete the forms
- Any intentional misrepresentation or omission may result in the student losing eligibility.

NOTE: This application, supportive forms and academic transcript must be completed before the UH-SAA may consider the transfer.

SECTION 4

TO BE COMPLETED BY THE STAFF OF THE RECEIVING SCHOOL

As an administrator and coach of a UHSAA member high school, I realize that recruiting and or undue influence is unethical, unprofessional and completely against the rules and regulations established for high school sports.

I realize that disciplinary action can be taken by the UHSAA for making contact or encouraging a student who does not reside in my schools' attendance zone to transfer. I also realize that these restrictions apply to booster clubs and any other individual who would contact a student for the sole purpose of encouraging a student to attend a specific school for participation in athletics.

I recognize that this type of contact can jeopardize my coaching position and the eligibility of the student and the team of which the student is a team member.

I further understand that any falsification of this document will jeopardize the team in which the applicant is a member and my future as a coach at any high school in the state of Utah.

I fully understand and appreciate the philosophy of the UHSAA as it relates to undue influence and verify that there has been no attempt to recruit the applicant to transfer schools for the purpose of participating in an athletic program.

NOTE: This form must be read and signed by the principal, athletic administrator and all coaches involved in the program in which the transfer student intends to participate.

THE SIGNATURES BELOW ESTABLISH A REPRESENTATION THAT THE PRINCIPAL, ATHLETIC ADMINISTRATOR AND COACHES ARE UNAWARE OF ANY CIRCUMSTANCES WHICH COULD CONSTITUTE A VIOLATION OF ASSOCIATION RULES.
